Dear Sir:

Applicants hereby petition for revival of the above identified patent application.

This application became abandoned for failure to timely reply to an Office Action dated February 2, 2004. Applicants (by their representatives) mistakenly filed a Notice of Appeal on August 2, 2004. That Notice of Appeal was not effective to prevent abandonment because the Office Action was non-final. The entire delay in filing the required reply from the due date for the reply until the filing of this petition was unintentional. No Notice of Abandonment has yet been received.

Amendment A, the required reply to the Office Action of February 2, 2004, accompanies this petition.

In re Application of: Wilt et al.
Serial Number: 10/077,568

Please charge Account Number 12-1216 for the petition fee of \$1500.00 as set forth by 37 C.F.R. 1.17(m). If any additional fee is required in connection with this petition, please charge Account Number 12-1216.

Conclusion

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
